PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: August 28, 2014

Contact: Josh Malwick, City Capital Projects Engineer, (405)366-5454,
Josh.Malwick@NormanOK.gov.

CEDAR LANE ROAD PROJECT

Beginning Thursday, August 28, 2014, AT&T will complete an emergency utility relocation at the intersection of 12th Avenue SE and Cedar Lane Road. This work will require temporarily closing Cedar Lane Road at 12th Avenue SE between the hours of 9:00 A.M. and 3:00 P.M during the day. Signs will be placed to detour the traveling public around the construction using U.S. Highway 77 and State Highway 9. Access will be provided to local residents within the closure area. This work should be completed by end of day, August 28, 2014.

The Cedar Lane Road Widening Project is a \$9.8 million street improvement project. When the project is completed, Cedar Lane Road will be widened to four lanes with 5-foot bike lanes adjacent to the curb, the intersection of 12th Avenue SE and Cedar Lane Road will be widened and signalized with dual left turn lanes from 12th Avenue SE onto eastbound Cedar Lane Road, the railroad at-grade crossing will become a quiet zone crossing, and 5-foot sidewalks will extend the length of the project on both sides of Cedar Lane Road. The Oklahoma Department of Transportation is administering the construction of the project on behalf of the City of Norman because federal transportation funds are involved in the project.

Additional questions may be directed to Mr. Josh Malwick, City of Norman Capital Projects Engineer, at (405)366-5454 or Josh.Malwick@NormanOK.gov.
